

THE PLENTIFUL HARVEST

As another school year begins we would like to thank you for meeting the needs of the children. Through your generosity 144 school bags full of school supplies were handed out to precious young souls. 117 children have registered at Cherry Street this year with 81% at poverty level and 65% not attending church. The field is ripe for harvest!

When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Matthew 9:36-38

There is an opportunity to show Christ like love in a practical way to many special children by praying, donating money or volunteering to work at Cherry Street. Help in reading to children and listening to children read is a great need.

One may feel it is inconvenient, it can be. One may think it will be time consuming, it will be. One may think that it will be messy, it most certainly is! But how did Christ show his love to us? He left the glory of heaven to take on the form of a man, which was inconvenient. Everywhere he went people mobbed him. Jesus had compassion on each one, which took time. He willingly went through beatings and a hideous death on the cross to free us from our sins, which was messy.

Unconditional love is inconvenient, time consuming, and messy. Do you have unconditional love for a child? Can you help out? All I ask is that each one of you will pray and ask God, "What do you want me to do?" Then act upon what God leads you to do.

A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another. John 13:34-35

Thank YOU in advance for your help! As you touch a child, that child will see Jesus!

GOALS FOR PLANTING THE WORD

CHERRY STREET EAST

For Bible class this year our theme will be "God Loves Me and Knows Me".

We will have one Bible story for the week, told four times in different ways helping the children to remember the stories better.

Our daily schedule will be:

Mondays: Telling of the story.

Tuesdays: Drama of the story with Marsha.

Wednesdays: Show video retelling the same story.

Thursdays: Art, science or review game of the story

CHERRY STREET WEST

Bible Class: Children will learn how to use the bible and how it is organized while learning other essential truths of the bible that are relevant to their age group. Some of these things will include-

Knowing the order of the books of the Bible

How to use a concordance and other online resources.

How to find book, chapter, and verse in the Bible.

Learn the basic difference between the Old Testament and the New Testament books.

Bible Memory Verses

Over all Goal- To express to the children the importance of living a Christian life and what it means to have Christ in their life. To help develop the children into caring and compassionate members of society. To help them understand that they are precious children of God and that they have worth.

For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. Psalms 139:1-14
